LICHTBLICK
HOTEL

YOUR HOTEL IN ALLING

Our family and business hotel in the Upper Bavarian municipality of Alling – in direct proximity to the state capital of Munich – a „bright light“ in the barrier-free zone – 100 % accessible without barriers!

A hotel to get comfortable in - planned individually for any guest - no matter possible limitations of physical activity.

The hotel »Lichtblick« is the first hotel in Europe that has been awarded the European quality seal RAL barrier-free (RAL-GZ 904).

Our guests can use an E-fuelling station in the underground parking garage for a fee.

ROOMS

Absolutely unique in the beautiful district of Fürstentfeldbruck – the barrier-free hotel concept!

We offer bright, sun-lit rooms at 40 sqm - modern and entirely barrier-free. All of them are equipped with a kitchenette that enables you to cater for yourself during your stay.

Our spacious bathrooms are also designed barrier-free according to the latest directives.

We offer a »double« double room as well: Light-flooded and with a view of the green outdoors, up to four persons can spend the night here without being cramped. This room has another separate bedroom with a double bed and wardrobe integrated.

At 50 sqm, our »double« double rooms are clearly above-average in size for a hotel room. They offer enough space for travelling with family or nursing staff.

- 40 sqm in the double room leave plenty of space for freedom of movement
- Small fitted kitchen (wheelchair-accessible)
- Double bed (2 x 2 m) with anti-allergy duvet and pillow
- Barrier-free bathroom, toilet and shower
- Phone and WiFi (calls to German landlines and internet free of charge)

CONCEPT BARRIER-FREE

Our hotel has been built entirely barrier-free. It therefore also enables persons who are limited in their mobility to enjoy comfortable living or working away from their home.

Designing everything barrier-free was the basic idea when we built our hotel in Alling.

From the driveway to the access to the underground parking garage, our reception desk, all lifts, the rooms, bathrooms, toilets and our separate restaurant and seminar rooms in the side building – everything has been designed barrier-free according to the latest provisions and accessible for wheelchair users.

Our no-barriers promise starts with your arrival. We offer a collection service from the Germering train station (barrier-free) or the Gilching train station (not barrier-free) by a shuttle service.

Our car has seats for 5 persons and one wheelchair user. It was converted for wheelchair accessibility according to the latest standards.

If you need our shuttle service, coordinate in advance at least one day before your arrival.

SEMINAR ROOMS

We offer event rooms for your business or private events.

Seminars, meetings, presentations, trainings, workshops or private events – book one of our two large seminar rooms at about 71 sqm or 92 sqm, or our smaller room at about 38 sqm.

Our restaurant, which is located on the building's ground floor, will gladly provide catering, a buffet or menu for you.

You can use the small kitchenette in the anteroom of the seminar rooms to keep drinks at hand at all times.

Standard equipment:

- Tables and chairs
- Blackout curtains
- Enough power outlets and WiFi
- Projector
- Canvas
- Drinks (hot and cold)
- Catering or buffet

RESTAURANT

The restaurant in the side building will be happy to provide you with a lunch menu that changes every week, as well as a diverse standard menu.
